United Way of Beaver County

2025 Sponsorship Opportunities

About Us

United Way of Beaver County

Our goal for this year's Campaign is once again \$1,100,000. While we didn't quite reach our goal last year, finishing at \$1,082,394, the fact that we came so close speaks volumes about the generosity and commitment of this community. Raising \$40,000 more than the previous year was a remarkable achievement in the face of economic challenges, and is a powerful sign of the strength and unity within our community.

Our Campaign theme is **Stronger Together: United, communities thrive**. Your sponsorship commitment is a vital part of our ability to help our community thrive. We are determined to meet our goal this year, and hopefully exceed it! We can do that only with your help.

###

39% of Beaver County households cannot afford the essentials.

###

In 2024, we gave close to \$600,000 to Beaver County non-profit organizations who serve those in need.

###

We gave \$120,000 in The ALICE Fund Mini-Grants to local non-profit organizations in 2024.

There were countless times in my life...that I can attest to the power of community - to the recognition of that commitment to the humans around us. To knowing that sometimes, circumstances overwhelm hard work and good judgement and leave one stranded, rarely alone, but feeling isolated. It is into that gap that I see the United Way and ALICE programs step in, time, and time again.
